Troop 380 Celebrates  
Eagle 126 and 127

## Scoutmaster's Minute: "I'll Wait"

by Dave Ishikawa

"I'll Wait." I hear these words many times as a Scoutmaster. Scouts tell me they will pass on an outing or a troop activity because they "don't feel like it at the time." We are often times given the opportunity to experience things that only come around a few times as a scout, sometimes they do not repeat themselves. Maybe the next time the opportunity comes up the scout cannot fit it into his schedule. We offer many experiences that are very unique and special. Troop 380 offers so many special events that your friends will never have the chance to do. Don't wait, do it now, you won't regret it.

## Committee Chairperson's Message

by Zenaida Kamine

Summer is here and now begins the busiest season for Troop 380. As you can see from the articles in this newsletter, the troop is just gearing up for an activity-filled summer. With summer camps at Camp Buffalo Bill Cody as well as at Camp Winton, Smud Picnic: our biggest fundraiser of the year at Rancho Seco, our annual Mother & Son Rafting trip and the much anticipated Scout Expo. Troop 380 will be abuzz with activity. The parents and adults of Troop 380 will be busy as well.

We are in need of all the adults in the troop to step up and help out in whatever capacity they can. There is never a job too small or too big that we can't do. The jobs can be anything from driving to or from an event, helping with packing up the trailer for the events, serving food to the Smud employees, or working at one of the booths at Scout Expo. The more people we have working at these events makes for an easier and more enjoyable time for everyone, especially for the scouts. You and your child will always look back at these events and remember the times you worked together to get a job done.

If you don't know what jobs are available or if you want to find out what other fun filled events we have planned for the rest of the year, please plan on attending one of our Parent Committee Meetings held on the last Tuesday of the month in the building next to the church beginning at 7:30pm. Because of summer camp this month, the next Committee meeting will be held on Tues, July 31st 7:30pm. Hope to see you there!!

## EAGLE WATCH

by Johnie Pennington

In just a short week I have attended three Eagle Courts of Honor; two honoring Travers Hopkins, Angel Echevarria and Jamie Brown from Troop 380 and Steven Tanaka from Troop 50. Even though they were all a little different, they had one thing in common. Each of these young men had set a goal that kept them focused. Each boy who joins Boy Scouts usually starts out with that goal – becoming an Eagle Scout. Some do it because it's a family tradition - father, uncle, grandfather or great grandfather are Eagles. Then there are boys who have set their sights on becoming an Eagle because they want to for the simple fact they want to be the best. Regardless of how it is done, setting the goal to become an Eagle isn't easy and distractions can get in the way. Don't regret not taking advantage of the opportunities and support available from the troop and community in reaching Boy Scout's highest achievement.

While there are no Eagle projects currently being worked on, several Scouts have talked to me to begin the process of developing ideas for projects or a project plan. Projects can not be done in a vacuum. Please share your ideas with me. If you are having some difficulty finding a project please talk to me as I know of a couple of community organization that are looking for help.

## SPL REPORT

by Charlie P.

These past two weeks have been pretty busy. On the weekend of June 1, about twenty scouts had left Dave's house for the Big Basin campout. We split up that same Friday. The backpackers went on a nice 8.5 mile backpacking trip and then met back up with the scouts at Dave's house on Sunday. I was one of the backpackers so I do not know what the car campers did. The following Monday, Angel and Travers had their Eagle Courts of Honor together at our church with at least a hundred people and then Jamie Brown's Eagle Court of Honor on Friday at the church next to the Rancho Cordova post office. These were both great Eagle Courts and I believe that all three of these men worked hard towards their rank of Eagle.

## ORDER OF THE ARROW

by Ian Chang

No article submitted at time of printing.

## TRADING POST 380

by Ralph Merrill

Summer Camp is rapidly coming up! Don't be caught without the proper uniform parts. We have your size in Tee Shirts, Sweat Shirts, Hats, Belt Buckles, and other items of interest! See Peggy or Ralph.

## FROM THE TREASURER'S TABLE....

by Becky Mesker

Dues are due! As of June 1 we began our new fiscal year, which signals new dues for the upcoming year. As the Committee voted a few months ago to change our fiscal year to a calendar year, this year will only run from June to December. Therefore, the dues for this short year will be \$60 instead of the usual \$100.

Dues can be paid at any time during the year, they do not have to be paid immediately. Please remember though, it is troop policy that any credits earned through fundraisers will first be applied to dues before being used for other activities.

Also, another reminder that the treasurer's table closes when the meeting ends at 8:30. If you need to make payments please do so before that time. We're ready to head home just like you are!!

If you have any questions, please see myself or Joan Stretars at the treasurer's table.

## VENTURING VIEW

by LaMar Mitchell

The Venturing program is a youth development program of the Boy Scouts for young men and women 14 to 21.

During the last year, members of our crew have taught leadership at the University of Scouting and Leave No Trace at Woodbadge. Our crew members will be teaching Introduction to Leadership Skills for Crews (ILSC) in July. This summer and fall, crew members that have not earned the national shooting award will begin work with the NRA to earn the national shooting award. Additionally, members of our crew have become youth venture leaders at the council and area level.

The Venturing program is the next logical step in the progression to adulthood for those young men that have earned their Eagle rank and still want to share skills and leadership they developed through the troop with others.

As the crew advisor I urge all young adults to consider joining Crew 380 as you progress along the trail to Eagle.

## MERIT BADGES

by Bob Williamson

The merit badge meetings held prior to the Scout Meeting will not happen during the summer. Scouts that have partially completed merit badges (partially signed blue cards) should use this summer to finish up those requirements and contact the Counselors for final sign-off. New merit badges will be offered next September.

A special thanks to our most recent Troop 380 Counselors, Sherri Brown, Joesph Jacobs, Charles Potter, and Frank Shaw. The Troop continues to invite all adults who would like to help out as Merit Badge Counselors to sign-up with the Advancement Assistance Scoutmasters. There are many areas of interest that you could help in and your help will be greatly appreciated. It really is fun and a great way to meet some of your son's fellow scouts.

We encourage members of Troop 380 to take pictures at events and would like to have them posted on the website. I'm the conduit for getting pictures posted. I have flash drives you can load them onto, or you can give me yours, or a CD/DVD, or whatever works best for you. It's appreciated if you can use the highest quality setting on your camera. I'll manage the file size before uploading to the website.

As you know, we keep our Scouts (and parents) busy with a lot of fun activities. It would be much appreciated if anyone that has pictures could get them to me as soon after the event as possible so we can get them posted quickly.

three levels of resolution, from thumbnail to full-sized.

The **Scouts and Scouters** pages attempt to have current information on members and leaders.

The **Downloads** page has permission slips for upcoming activities, medical form, driver information sheet, New Scout Guidebook, Parent Guide, adult application, past copies of the troop newsletter, a phone list and roster (both password protected), merit badge counselors, and much more.

Finally, **Venture Crew 380** has a tab which opens into additional tabs featuring their calendar, photos and members.

By the way, the webmaster is Duane Dier, Troop 380's 54th Eagle Scout. Duane is an engineer working in the satellite division of The Boeing Company and lives in Los Angeles. He wanted to continue supporting the troop and felt developing and maintaining the troop website was a great way to do so from many miles away. His address, which can be found at the bottom of each web page, is [webmaster@t380.org](mailto:webmaster@t380.org).

A website is only useful if the information is current and accurate. Several leaders attempt to keep it updated. If you see an error, missing or outdated information, or want to comment on any aspect of the site, please send Dave and Duane a short note.

## TROOP WEBSITE

by Don Dier

Have you visited the troop website at <http://t380.org>? If you haven't, you're missing out on what is probably one of the premier troop websites on the Internet. (Modesty is not one of our traits in Troop 380). If you have, then you know you can find just about anything you want to know about the troop there.

Check out all the features the website has to offer:

The **Home** page contains Dave's blog and a listing of site updates.

The **Calendar** is updated continuously. If you have any changes, additions or corrections, let Dave or the webmaster know.

The **Photos** page we are especially proud of. It contains all the troop's digital photos back to 2000. The photos, which are not protected so you can copy them, can be viewed in

## TROOP PHOTOS

by the Picture Guy, Don Dier

Troop 380 maintains a comprehensive collection of pictures from most of our events and activities. They can be found on our website at [t380.org](http://t380.org). Please visit the website and explore all the information it has available.

# Recent Events

Troop 380 Newest Scouts heading to Skills Camp (still dry)

## New Skills Camp

by Neil Ishikawa

On March 30, 31 and April 1 the Troop spent the weekend at camp Nauvoo in Placerville teaching our newest Scouts how to camp the Troop 380 way. We had 16 new Scouts attend our training weekend at Golden Empires Council's newest property. It was a rather wet weekend, the rain started around 11am Saturday and did not stop until Sunday around the same time. We watched the creek next to the lodge change into a rather raging river. And we all spent the night in the lodge for a great time around the campfire. Some great songs and skits. Check out some great photos on our website and videos on Youtube.

## Spring Camporee

by Charlie P.

The Zombie Camporee took place on the weekend of April 27-29, at Gibson Ranch. There

was a very strict schedule for every patrol due to the fact that there were over 700 people in attendance. On Saturday, the uniform of the day was the Zombie Apocalypse T-Shirt and a pair of old jeans. The zombies came over to scouts and marked them with red paint or "the infection" which now turned them into zombies. Zombies were not allowed to go back to their campsites.

All the boys had such a great time going to all the events such as tomahawk throwing, BB- gun shooting and just playing out in

the sun. Later in the day there was a cleansing ceremony for all of the zombies which cured them allowing them to go back to their campsites. We sadly did not win any awards, but we did have some OA members get Brotherhood. Other 380 members were elected into the OA. Sunday morning, we packed up all of our stuff and headed back to Dave's house to put everything away. I must say that this was the most fun and relaxing camporee that I have ever been to.

Zombies on the loose

**Award winners at the 2012 District Dinner**

## Greater Yosemite Council Jamborall

by Dave Ishikawa

We were special guests at the Greater Yosemite Council Jamborall on the weekend of April 20-22. Our troop was the only unit from the Golden Empire Council in attendance at the Stanislaus County Fairgrounds, in Turlock. Our small group enjoyed participating in the competition, looking at the displays, and evening campfire program. The evening program featured A magic show, Native American dancing and the Order of the Arrow Call Out Ceremony. We set up a display to promote the upcoming Scout Expo in September. Troop 380 extended an invitation to the Scouts and leaders to our big event coming in the fall. Thanks to all the guys for participating.

## Capital City District Dinner

by Dave Ishikawa

On Saturday, May 12, over 130 Scouts, Scout Leaders and Scout Families from the Capital City District gathered at the LDS Church in East Sac.

We came together to honor the adult leaders in the Capital City District who have gone above and beyond serving the youth of our unit, district, and council and the community in which we live. The evening started out with a great dinner provided by the district committee. Congratulatory comments were made by council and district officials and were followed by the presentations of awards and recognition. Ralph and Peggy Merrill were presented the Scout Family of the Year Award. Frank Shaw and Charles Potter were presented the Unit Spark Plug Award. Kim Perry-Reed, Naomi Kamine, Johnnie Pennington, Sue Garcia, Dave Ishikawa, Erik Carlson, Peggy Merrill, and Ralph Merrill were presented certificates for serving on the District's Roundtable staff. The highlight of the evening was the presentation of the District Award of Merit, A.K.A the Silver Bear. Troop 380's committee chairperson, Zenaida Kamine was one of only three recipients of this award that is the highest honor to be presented at the district level to a volunteer. Troop 380 was represented well. We hope to see all of you at next year's dinner.

## Bodega Bay Campout Report

by Matthew B.

We arrived at Bodega Bay and quickly set about the somewhat arduous task of setting up tents in the strong winds.

We woke up in the morning to a breakfast of pancakes, and then went geocaching with Mike. We found three geocaches, and a geocoin which we planned to deposit in another cache during another campout. We came back, and set about heating water for instant noodles. The noodles might have been instant, but the water took some time.

After that, most of the scouts and adults went down to the beach. Dan R., my Dad, Mr. Evans, and myself, on the other hand, went up to the headlands to get a good view of the sea. We came back, prepared tacos for dinner, had a campfire with skits and songs from each of the patrols, and ate delicious peach cobbler courtesy of the adults. We also retired several flags in the campfire.

## Fair Oaks Cemetery

by Ian C.

The weekend of Memorial Day, the Scouts from Troop 380 participated in the annual Memorial Day Service at Fair Oaks Cemetery.

On Saturday morning they had over 300 people there for the Memorial Day service; we passed out programs and directed traffic, and lowered a year old flag and raised a new flag from congress during the ceremony. Each year, the ceremony honors veterans buried in the cemetery from past wars. This year they focused on the Civil War veterans.

Later, we put away chairs, took down the awnings, and participated in taking as many

**The Sand dune crew**

**Troop 380 honoring our veterans**

cookies as we could from the hundreds they had on plates. When we came back later and took down the avenue flags. Monday, we put up the avenue flags up, and then later took them down again.

## **Big Basin** by Jacob M.

On Friday, June 1, two groups of scouts met at Dave's house to begin our trip to Big Basin, California's oldest state park. One group was headed for Huckleberry campground, and the other planned to hike into some of Big Basin's 18,000 acres of majestic redwoods.

On Saturday June 2, a group of us, packed up our tents and hiked about 10 miles through huge Redwood tree lined paths to our next campsite. The following morning, on Sunday June 3, we packed up the tents and supplies and hiked 2 miles to the beach where we waited for our rides.

Some of the things we saw on the trip were bannana slugs, butterflies, and we saw this wierd dark blue bird that had a cool looking mohawk on his head."

The Huckleberry Camp campers awoke to a beautiful

sunny Saturday morning and set out for a 5-mile hike along the Sequoia Trail. An easy walk, from park headquarters to Sempervirens Falls, then over Slippery Rock and down an attractive redwood-covered ravine. The hike ends with a return on the Skyline-to-the-Sea Trail. We checked our GPS for geocaches along the way, but unfortunately didn't manage to find any. Later that night, tired but happy, we had a good dinner and a nice fire circle. We took turns telling jokes until it was time for bed.

Sunday morning, we took a moment in our shaded redwood glen to be thankful for the chance to experience such amazing natural beauty. We packed up just before lunch, and made it back to Dave's house in time to put away the equipment and head home for dinner.

## **Sacramento Rotary Club Luncheon** by Daniel R.

On May 21st Matthew B., Kenny B. and I had the privilege of presenting the colors for the Rotary Club Armed Forces Luncheon at the Radisson

Hotel. We spoke with many of the members and gathered information on how the club president wanted us to present the colors. After the presentation of colors we ate and sat in on the meeting; they served chicken, steak, shrimp and a small salad for lunch. Terry Buck paid for our meal and made introductions for us. The meeting went from 11am to 1pm, ending with us retiring the colors.

## **Preparing for Yellowstone High Adventure** by Charles Potter

At Camp Buffalo Bill, three scouts (Ian C., Evan F., and Charlie P.) and two adults (Jon Traum and I) will be undertaking a 50-Mile backpacking trip. We've been getting in shape individually, and as a group we started first with an overnight 8-miler at Round Valley Regional Preserve in the East Bay Area, dodging a few rattlers along the way. For the Big Basin campout, we backpacked 12.5 miles from park headquarters following Waddell creek through the coastal redwood forests and got picked up at Waddell Beach

(thanks Wei and Byron!).

On June 9, we day-hiked 10 miles at lake Folsom. For Father's Day weekend, we've planned a 3-day backpack trip in the Sierras from Wright's Lake up to Twin Lakes. We hope to get any last kinks out of our gear and legs on that trip. Finally, regarding safety, Jon spent two days in training to renew his Wilderness First Aid card (let's all remember to thank him for that). We'll have plenty of pictures of the 50-miler trip at the next court of honor.

## **Angel and Travers, Eagle**

On June 4th, the Echevarria and Hopkins families, and the Troop gathered at Emanuel Baptist Church to celebrate the great accomplishments of Troop 380's newest Eagle scouts, Travers Hopkins, #126, and Angel Echevarria, #127. It was a fantastic evening. We had numerous guest speakers speak on behalf of the Eagles. Track and cross country coach, Charles Green, gave an introductory speech for the Eagles. Travers's family read off many letters and presented him with a document by a Missouri Senator. We also had Supervisor Don Nottoli come and congratulate us on our accomplishment. We all enjoyed a slideshow, one from each of our families. It was a very special night for both of us, as we each were able to share a very special moment with our families and each other.

We are both very thankful for the help from our families and from the Troop. We will both carry what we have learned in scouting on to college. Thank you all who attended our Eagle Court and supported us throughout the years. We are very thankful for your support.

# Save the Date

## One Summer – Two Summer Camps

by Dave Ishikawa

The summer of 2012 will go down as one of our most memorable summers in our troop history. Troop 380 will be attending two summer camps, Camp Buffalo Bill, June 20 – July 3, in Wyoming and Camp Winton, July 15-21, on Bear River Reservoir. This will be a great summer for out Scouts.

### Camp Buffalo

**Bill / Yellowstone Trip:** This will be our longest road trip in Troop 380 history. We have traveled to Northern Tier in Minnesota and Canada, Philmont in New Mexico, National Jamboree in Virginia, and Camp Mukualla in Oregon, but these trips have been by plane, train, and bus. We will visit the Idaho, Grand Tetons National Park, Jackson, Wyoming, Yellowstone, and Cody Wyoming. Highlights on the trip will be to see nature's wonders in some of the most famous National Parks in the country and attend a wild west rodeo in Cody. This will be a trip to remember for years to come. We will attend Camp Buffalo Bill near the Eastern border of Yellowstone National Park. Camp Buffalo Bill has some unique programs including a high adventure backpacking trip in Yellowstone, aviation merit badge, horseback riding at a cowboy ranch, and much more. Over 50 Scouts, parents, and leaders are participating in this trip.

**Camp Winton:** Troop 380 will travel just east of Jackson on Highway 88 to Camp Winton. This Golden Empire Council

camp features a wonderful aquatics program on beautiful Bear River Reservoir. Frank Shaw, Ray Meek, Johnie Pennington, Jim Buell, and Dave

Ishikawa will be attending camp with the troop. Camp

Winton has a great program for new scouts and advancement is the highlight for the week.

Please make sure all your paperwork is turned in for both camps. See

Chris and Becky about your accounts and documents. Have a wonderful time at camp.

### Golf Night

by Michael Kuykendall

Calling all duffers, wedgies, and put-puts. It is time for our annual Golf Night. The date is August 1, 2012. Tee time is 6:00PM. It will be a shotgun start, that means everyone will be assigned a hole

to start on and everyone starts at the same time. Try your hand (or club) at longest drive, hole in one, putting, and Payne Stewart look-alike contest. So, dust off those clubs, get your walk on, and join us for Golf Night.

### Mothers: Raft the River with Your Scout!

Scheduled for Saturday, Aug. 18, the Mother-Son Raft trip is sure to be a warmer adventure than the previous years in May. Flow levels are predicted to be good, and the air should be hot and the river water refreshingly cool. We will float and paddle down the lower American River, meeting at the raft rental store around 9:30 a.m. and putting in at Sunrise. We will stop along the way for lunch and get off the water mid-afternoon.

The cost will be around \$15 per person, with the rate being lower the more people who

Moms and Scouts getting ready to raft down the river

decide to join fun. All participants must take a swim test before the event. No non-swimmers.

The lower American River is smooth flowing and only has one true Class I rapid about half way down the run, at San Juan Rapids. These rapids are exciting yet navigable by even the novice rafter. This run is not a thrill ride; it's an easy float on which you can enjoy sunning and swimming one of the clearest rivers in the west! The most excitement will probably be from boys with water blasters!

Be prepared with sunscreen, sunglasses, hats, and water bottles. Foot protection is required. No open toed footwear.

Get ready to get wet!

**Mini Trek**  
by Jon Traum with a little help from Dave

On the weekend of August 3-5, 2012, Scouts can participate in our Mini Trek. Each year we take a short High Adventure to prepare Scouts for more challenging hikes in the future. This year, trek leader, Jon Traum will lead a group from Donner Summit to Barker Pass, along the Pacific Crest Trail (PTC). The PTC stretches from the border of Canada to Mexico through three states, California, Oregon, and Washington. The PTC covers over 2,000 miles of wilderness trail. Troop 380 mini-trekkers will

**BBQ for 1,200 SMUD employees, time to get out the big grill.**

travel only a short portion of the trail in our own Sierra Nevada. Spectacular views of Lake Tahoe, Donner Lake, Devil's Peak, Tinkers Knob, the Sacramento Valley, Alpine Meadows, and Squaw Valley can be seen from this section of trail. Look for sign ups after we return from camp. You won't want to miss this special hike for both beginning backpackers and those who are more experienced.

**SMUD Picnic**  
by LaMar Mitchell

Hey all you Scouts, Scouters and Venturers, it's time for the most grandiose and fun extravaganza of the year for the troop and crew. Once again we have been asked to host the SMUD Employee Association annual picnic as a fundraiser for your scout's or crew member's account. We will be hosting this fine fundraising event on Saturday, August 11 at Rancho

Seco Park. This is a HUGE event and the largest fundraiser of the year for the troop and crew.

With your help from 8 a.m. to 5 p.m., we will provide food and help entertain about 1,200 SMUD employees and their families on August 11. Your help to make this a successful event is really needed. We expect all scouts, scouters and crew members to participate and help. Sign-up sheets for specific areas needing staffing are now

available at the front table at every troop meeting. Siblings, 11 years and older are encouraged to participate. Since we will have a limited number of parking passes available for the event we encourage carpooling.

For more information please contact LaMar Mitchell at [lamar55.mitchell@yahoo.com](mailto:lamar55.mitchell@yahoo.com) or by phone at 916-204-7861. Remember, your help will make this a successful fundraiser for your scout or crew member.

## Camp Pahatsi Weekend

by Dave Ishikawa

Last year Troop 380 hosted an event for the first time at Camp Pahatsi, near Soda Springs. It turned out to be a great event attended by almost 200 Scouts. This year we plan on repeating our Camp Pahatsi Weekend on the Labor Day Holiday, August 31-September 3. We will offer merit badges, special activities, campfires, and some great food. I know this comes at a time when we are preparing for Scout Expo, one of the biggest events in our history, but we did have such a good experience last year we plan on doing it again. I will need your help. Here's a list of jobs for the weekend:

**Merit Badge Counselors:** We are looking to offer a merit badge that can be earned in a weekend.

**September 28-30  
Beale A.F.B.**

# X-TREME SCOUT EXPO 2012

[www.gec-bsa.org/program/expo](http://www.gec-bsa.org/program/expo)

**Rifle Range Coordinator:**

Fran Shaw will not be able to join us, so we need to see if we can set this up.

**Aquatics Coordinator:**

We will offer canoeing, kayaking, and swimming. Maybe a small boat sailing course too.

**Cooks and Cooks Helpers:**

We'll need a great team of food preparers.

**Registration Team:** Work to promote the event with other troops.

**Service Project Coordinator:** All participants will be doing a service project. We need someone to work with the site manager to help plan this project.

Please see me if you are interested in helping with this great project.

## Xtreme Scout Expo 2012

by Dave Ishikawa

On September 28-30, 2012, the fields at Beale Air Force Base will spring up into an instant city of 8,000 Scouts and Scout Leaders for the weekend. Scouts from not only the Golden Empire Council, but surrounding councils will join us for what promises to be the biggest event in our council's history. Activities will include aircraft displays, climbing walls, bmx biking, a 5K fun run, an incredible arena show, merit badge midway, military exhibits, and displays from NASA, Parallax, Aerojet, Department of Fish and Game, Tandy's, California Waterfowl

Association, Coast Guard, and much, much more. Also featured will be a keynote address by Space Shuttle Astronaut Jose Hernandez and Chief Scout Executive Bob Mazzuca. It is not often that we get this caliber of visitors to a council event.

Please plan on participating, we are expecting 100% participation from our troop, so save the weekend. All parents are encouraged to help out with this project. I am privileged to serve as the chairperson of this event for the third time. I cannot believe the dedication of the Scouters in this council that help to put on this event. We have been meeting for over a year to make this event happen. Please see Chris Ishikawa, Mac Cameron, Tonia Cameron, Jimmie Garcia, Johnnie Pennington, Joseph Jacobs, Erik Carlson, or myself if you would like to be part of the staff at Expo. It will be an experience you will not forget.

Seven units, including troop 380 and crew 380 attended last years Pahatsi weekend
