Scoutmaster's Minute: Adventures to Come

by Dave Ishikawa

This winter the leadership of Troop 380 will begin to confirm our future plans. Not only did the PLC recently plan for 2013, but also we are looking forward to the years ahead. This will

allow younger Scouts and families to plan and save for the future. In 2013 we have made plans to return to one of our favorite camps, Camp Royaneh. The PLC also plans for a high adventure trip to the Lost Coast on the Northern California Coast. Nine of our Scouts will be attending the 2013 National Jamboree in West Virginia. It will be a busy summer. As for the years ahead we are looking at trips to Camp Makualla in Oregon, a canoe trek at the Bowron Lakes in British Columbia, Canada, return trips to Philmont and Northern Tier, and a possible climb of Mt. Whitney. Sprinkle in future plans for some to attend the World Jamboree in Japan (2015) and the more road trips (just like the Yellowstone trip) we have of lots adventures to plan. Don't forget you can be part of some or all of these remarkable events. Remember you can earn you way by participating in the many fund raising activities we offer throughout the year like Trails End Popcorn, magazines, SMUD Picnic, See's Candy, Camp Cards, and much more. We will provide the opportunities; you will need to take advantage of them.

Committee Chairperson's Message

by Zenaida Kamine

Welcome to the September 2012 Court of Honor.

I would like to take this time to thank all the parents and other adults in the Troop and Crew who have taken the time to help enrich the lives of all our scouts.

Troop 380 has always had a large number of adult participation. We have found that parents that get involved in Troop activities have a higher percentage of boys who attain the rank of Eagle. As you can see from all the articles of past and future activities, scouts in our Troop and Crew are blessed to have so many opportunities. And this is because of all the adults willing to take the time to get involved. Recently, the Patrol Leaders Council met to plan out next year's activities. In order to make these plans a reality, the adults of the Troop will have to step up and volunteer to help or even chair one or more activities. A perfect time to sign up to help out is during our monthly Parent Committee meetings. I would like to take this opportunity to invite each and every one of you to our next Parent Committee Meeting which will be held on Tuesday, Sept 18th @ 7:30pm in the building next to the church (Meetings are usually held on the last Tuesday of each month @ 7:30pm). For parents of newer scouts as well as all adults in the troop, these meetings are a time to show support of the Scoutmaster, provide input on as well as volunteer for future activities, plan fund raising activities and discuss past and future activities. Please support all our scouts by being a part of these important meetings.

EAGLE WATCH

by Johnie Pennington

It's been fairly slow on the Eagle watch as Scouts have been busy with all of the summer activities the troop has done. Now that the leaves are putting on their fall color coats those Life Scouts that have been waiting appear to be ready to sit down and talk about possible Eagle projects.

Recently a number of Life Scouts have talked me about possible Eagle projects. These proposed projects ranging from memorials honoring fallen hero's, marking trails, and giving back to schools and churches. There are also a couple of Scouts that have completed their Eagle projects and are now finishing up the last couple of Eagle required Merit Badges.

So while it has been a fairly slow year for Eagle advancements, over the course of the next few months there could be three to five Eagle project presentations and maybe even an Eagle Court of Honor.

Life Scouts, it is never too early to begin thinking about an Eagle project. If you don't have an idea for a project please come see me as I know of a couple of possible projects.

ORDER OF THE ARROW

By Ian Chang

For the Order of the Arrow, we inducted new members. Along with the inductions, we also went to many fun activities and other ceremonies for the OA. We had meetings not only at spring camporee, but also at most summer camps. Also, for upcoming events, Conclave is sure to be a blast for all who go. This was September 14-16th. Also, coming up is Takishin, which is basically a leadership course helping leadership fulfill their positions in the OA. I went to that last year, and it was a lot of fun. I recommend all OA leadership go, because it helped me find out what I was supposed to do a Vice Chief.

TRADING POST 380

by Peggy Merrill

The Troop 380 "Haberdashery & Millinery" (Tee Shirts and Hats), and other sundry items, is well stocked and open for business during each troop meeting. Please make your purchases at the beginning of the meeting so we can all get home sooner!

TROOP PHOTOS

The Picture Guy, Don Dier

Troop 380 maintains a comprehensive collection of pictures from most of our events and activities. They can be found on our website at t380.org. Please visit the website and explore all the information it has available.

We encourage members of Troop 380 to take pictures at events and would like to have them posted on the website. I'm the conduit for getting pictures posted. I have flash drives you can load them onto, or you can give me yours, or a CD/DVD, or whatever works best for you. It's appreciated if you can use the highest quality setting on your camera. I'll manage the file size before uploading to the website.

VIDEOS: If you have videos, please be sure they are of sufficient quality for posting on our website. You will need to upload them to YouTube and provide me the link.

As you know, we keep our Scouts (and parents) busy with a lot of fun activities. It would be much appreciated if anyone that has pictures could get them

to me as soon after the event as possible so we can get them posted quickly.

RALEY'S BEL AIR "QUALITY OF LIFE CARDS"

By Peggy Merrill

Did you know there is FREE money available to the troop? Raley's offers the "Quality of Life" program for the Boy Scouts. Obtain a Quality of Life card from Peggy, go on line and register your card and every time you shop at Raley's or Bel Air they will donate a percentage of your purchase, in cash, directly to the troop. You just show them your card and the money flows in!

Recent Events

Yellowstone Adventure

It will be a summer adventure that all who participated will not soon forget. Troop 380's Yellowstone adventure was a trip of a lifetime. Scouts, leaders, and parents traveled over 2,000 miles on our tour of Nevada, Idaho, and Wyoming on our way to Camp Buffalo Bill, near the Eastern Boundary of Yellowstone National Park. On our way we made stops at Cabela's Sporting Goods, Twin Falls, Idaho Falls, the Alpine Slide at Snow King, Jackson Hole, Grand Teton National Park, and Yellowstone National Park. After arriving in Yellowstone, we toured the park witnessing geyser eruptions, roaming buffalo, shy grizzly bears, wild coyote, thundering waterfalls, thermal pools, raging rivers, and bubbling mud pots. Thanks to the planning of Dave and Chris we had a great time before the parents delivered the Troop to Camp Buffalo Bill. Many of the families continued to tour the area while the Scouts were in camp.

After camp was over, the Troop was picked up and we continued to Cody, Wyoming to visit the world famous Buffalo Bill Cody Museum. After spending the day at the museum the Troop headed for the Cody Rodeo where they saw the bull riding championships. After a great

night in Cody we headed west back to Yellowstone and the Grand Tetons. The troop camped under the mighty peaks of the Tetons for our final night in the Wyoming. The next stop was Craters of the Moon National

Monument. Our final night was back in Twin Falls, Idaho. After two weeks of traveling and camping we arrived at home getting ready to plan our next Troop 380 adventure. Thank you to all the parents and leaders who took part in this memorable trip.

Note: While we were at the Buffalo Bill Museum we found out that three Scouts and an assistant Scoutmaster had been in a fatal car accident heading home to Colorado from Camp Buffalo Bill. These Scouts and leader shared Camp Cody with our Troop during their week at camp. Our hearts and prayers went out to these Scouts, leader, and their families. Upon returning home we took up a collection of over \$700.00 to assist the families. We forwarded the money to the Colorado Springs Council. It was a difficult time for all in the area since the

fires had been burning while we were at camp. Thank you Troop 380 for your thoughts and kindness.

Camp Buffalo Bill, a Quest for Beauty

By Daniel Richardson

It was the morning of June 24th on which we made the last big leap through Yellowstone National Park in order to reach Camp Buffalo Bill. Upon arriving at camp we had to wait for some of the staff to arrive, in order for us to acquire our camp assignment; then we unpacked all our personal gear from the cars and trailer which we moved to the camp. Not a second after we had finished unpacking than four of the best staff guides you could ever meet came to our camp to give us a run down on the basic camp rules and activities. They gave us a quick tour of camp. The strangest thing that happened at camp was when the camp program director and two merit badge teachers came to the closing ceremony playing bagpipes! The next day Dave came to pick us up and we said our last farewell

Camp Cody Crew

to beautiful Camp Buffalo Bill on that morning of Tuesday July 3rd. This camp was one of the best camps I have ever been to and the only one with a metal working and aviation merit badges and a rafting program! All of those who came to camp had a great time and any us will tell you that it was worth every dollar.

Backpacking in Yellowstone

By Charlie Potter

Three scouts, Evan, Ian, and Charlie, along with Jon Traum and Charles Potter backpacked along the Yellowstone River on a four-day, three-night trip, during the week at camp at Yellowstone. We were joined by two scouts from Denver and our guide Ben from Camp Buffalo Bill.

We hiked a little over 20 miles through sage brush and through the river canyon and even up and down through the border of Montana. We ate like kings on this trip, using the national outdoor leadership school cooking methods. Included on the menu were pizza and Thai cuisine. Photos of the trip are on the website.

Camp Winton

By Mike Kuykendall

The month of July brought our second summer camp of the year, Camp Winton. Camp Winton is on the Bear Reservoir. There the scouts earned Polar Bear, Tribe of Winton, and shooting awards. They took many merit badges like Swimming, Kayaking, Emergency Preparedness, Fishing, Nature, and Pioneering. We cooked Peach Cobbler and had fun swimming in the warm waters of the lake. Thank you Nick Ishikawa for leading the scouts and the adults that made this happen.

Golf Night

by Michael Kuykendall

On Wednesday, August 1, thirty-two scouts and scouters arrived at Bradshaw Ranch Golf Course for a night of golfing. Bradshaw Ranch is a nine hole par twenty-seven (you do the math) golf course. Starting tees were issued, a 'best ball' format was explained, then everyone was off to their boxes. Congratulations to Frank Shaw for being closest to the pin on Hole 1. Unfortunately, I was not too informative and a scout was not registered at closest. Congratulations go to Alex Mellerski for driving the

ball 210 yards on Hole 7 for the longest drive for the day. At the end, the scouts tried their hand at a putting competition. Congratulations to Alden Brock and Wei Hsieh for completing the course with only 13 strokes. Our top team score goes to Team 7, Wei and Brian Hsieh and Charlie Potter with a combined effort of 29. Thanks to Dave, Chris, Charles, and Johnie for cooking hotdogs and serving chips.

Mini Trek

By Jon Traum

The 2012 Mini Trek took place from August 3rd to August 5th. We had 8 scouts and 3 adults finish the Trek. The troop hiked 12 miles along the Pacific Crest Trail from White Rock Lake to Donner Summit.

On Friday night, we camped near White Rock Lake after hiking in about 1 mile along the road. On Saturday morning, we hiked along the Pacific Crest Trail up out of the White Rock Lake Valley, and we stopped at the top of the ridge to rest and take in the great scenery. Then we descended into Paradise Valley where we stopped to eat

Camp Winton Crew

lunch and to refill water from the stream. Next we hiked up out of Paradise Valley and then descended into Round Valley. We camped Saturday night in Round Valley which is flanked by the spectacular 9017 foot Basin Peak and the spectacular 9103 foot Castle Peak. We had a thunderstorm come through around 11:00 PM. Luckily everyone was in their tents, so everyone stayed dry. On Sunday morning, we hiked over Castle Pass and then descended down to Donner Summit. We crossed under highway 80 in a tunnel designed for hikers. Finally, we made it back to the Pacific Crest Trailhead near Boreal where our cars were waiting for us.

Thanks to Zachary Burgess and Alexander Mellerski for helping to plan the trek and providing leadership. Thanks to adults Paul Keiefer, Charels Potter, and Jon Traum for accompanying the scouts on the trek.

SMUD Picnic

By Zenaida Kamine
Once again Troop and Crew 380 were in force at Rancho Seco on a very hot August 11th to put on the annual SMUD Company Picnic for 1239 employees. Over 100 scouts, Scouters, family

members and 15 Airmen from Travis AFB were on hand at 8am to set up for the picnic. With the tranquil Rancho Seco Reservoir as the backdrop, SMUD employees enjoyed a variety of barbequed items as well as fried chicken, nachos, a variety of drinks, and a choice of ice cream desserts. DJ Dave played his music as well as providing the voice for the employee raffle. Scouts from the Troop as well as the Crew were on hand to supervise the carnival games and inflatables.

A big thank you goes out to Lamar Mitchell, Don Dier and their cooking crew, as well as the

serving crew for providing the delicious food; Tonia Cameron and her crew for serving the ice cream; Tara Mitchell and her crew for serving the drinks; Maryanne Evans and her crew for working the carnival prize distribution table; and to Staff Sargent Kris Larson for leading his crew of Airmen in the parking area. A huge thank you to everyone who came out to help, it was a very successful and profitable fundraiser. See you again next year!!

APS Stamp Show

By Brian Hsieh
The American Philatelic Society (APS) Stamp Show came to downtown Sacramento Convention Center on August 16-19. It hosted over 150 dealers, nearly 15,000 pages of exhibits, public auctions, and stamp first-day ceremonies. It had an enormous floor of exhibitions where stamp collectors and dealers could buy, sell, and trade stamps. It was an adventure of a lifetime for

many scouts as they got a tour of the Stamp Show and were exposed to many classic stamp collections. The APS also asked the boy scouts to participate in the color guard each day of the show. Many scouts from all over Sacramento area earned the Stamp Collecting merit badge. It was really fun and was truly an unforgettable experience.

Float and Fire at Will: Water Battles Raged on the River

by Sherri Brown

On Saturday, Aug. 18, fifteen Scouts and their mothers set off in 4 rafts from the Sunrise put-in

on the lower American River, accompanied by Dave Ishikawa and Mike Kuykendall in the rafts and Peter Brown as a safety boater in his kayak. Although the day began overcast, by mid-morning the sun was beating down on the Sacramento Valley, making it a perfect day for dousing one another with water fired from water shooters and slapped toward the other rafts with oars.

It started out peacefully enough, with the boats gently floating along with the current. No names will be mentioned (Dave Ishikawa), but someone started the series of attacks on fellow Troop 380 boaters in other rafts, and the fun began. One boat had chosen to be a "dry" boat, but this announcement, heartfelt as it might have been, was simply taken as a challenge by some in the group (Dave Ishikawa), and while that raft was left alone more than the others, it could not be left out of the fun.

The current was running well, and we reached the lunch take-out at Rossmoor Bar earlier than expected. Luckily, Sherri Brown had brought some homemade, organic zucchini bars to pass

around until lunch arrived. (She only revealed to a few who asked about the recipe that the "bars" were really slices of zucchini bread loaves which she had forgotten to put baking soda in!)

Charles Potter, who was asked only the day before for his assistance, showed up with lunch supplies and even a table on which to lay the spread of bread, meats, cheese, condiments, peanut butter and jelly, fruit roll-ups, chips and juices. The mothers, getting the respect and deference which they always deserve, made their sandwiches first, and everyone enjoyed the bountiful feast either sitting on the rafts or under the shade of trees.

Since we set off early, we had enjoyed the river almost alone before lunch, but many more rafts were on the river after lunch. This made it a bit more challenging for planning and staging water attacks, as we didn't want to fire on innocent victims. "You don't want to know about the last raft which got in our way!!!" shouted by one Troop 380 leader (Guess who!) seemed to do the trick in clearing the way.

It was a great day of camaraderie on the river, and we didn't lose anyone, so the trip was deemed a success!

Mt. Whitney By Charlie Potter

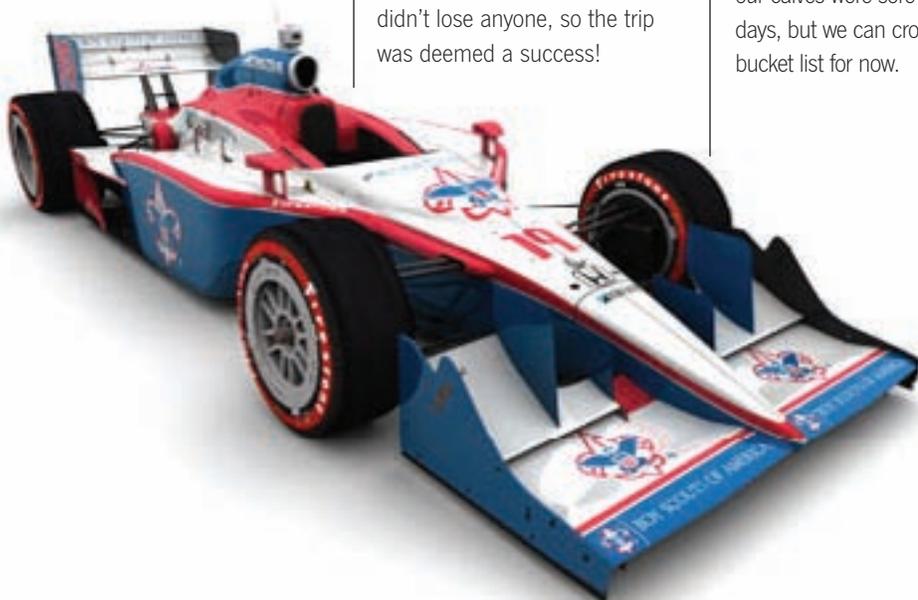

Charlie Potter along with his father, Charles, and Ike Krieg, a scoutmaster from Troop 259, completed a trek up to Mt. Whitney from Horseshoe Meadows in Kings Canyon National Park this last August. We started at 10,000 feet, reached a high point at almost 14,500 feet, and came out Whitney Portal. The views were spectacular and the oxygen scarce. Thunderstorms rained down hail and lightening every afternoon. The climb up to Whitney from Guitar Lake on the last day was equivalent to climbing a 300 plus story building. The climb down from the summit to Whitney portal was like going down a 600 story building. Yes, our calves were sore for a few days, but we can cross that off our bucket list for now.

Indy Grand Prix of Sonoma By Charlie Potter

The Potters and Ishikawas took advantage of the Scout Day offering at the Sonoma Indy Car Grand Prix. Scores from the scouting community were in attendance, including webelos and cub scouts. We watched Indy cars come around turn seven on the track at speeds probably in excess of 150 mph. Not only was there scouting presence among the spectators, but in the pack of racers was the Boy Scouts of America #19 Indy Car. Thanks to Maryann Evans for her leadership in setting up this event.

California Capital Air Show By Tonia Cameron

ZOOM, ZOOM goes the jets at the California Capital Air Show. Troop 380 parents sold hamburgers, Ice Cream and Soda. It was a successful event due to support of our troop's parents. Special thanks to all the workers for two days of fun. Mark your calendar for next year's air show on September 7-8 2013. Thank you to all who work so hard, even in the Old folks booth.

Save the Date

Xtreme Expo

One of the biggest events of the year will be on the weekend of September 28-30, 2012, at Beale Air Force Base, near Yuba City. This will be the third Scout Expo (2007, 2010 and 2012) to be held at the base and promises to be the best of the three. The weekend will feature a merit badge midway, shooting sports, a 5K fun run, interfaith services, climbing walls, exhibitors representing community and conservation groups, arena show, ceremonies, OA village, and much more. The arena show will feature Team Soil, the hit of the California Capital March, a great band, Astronaut Jose Hernandez, and our Chief Scout Executive Bob Mazzuca. Troop 380 leaders have played a key role in making this event happen. Dave Ishikawa is the event chairperson. Chris Ishikawa is in charge of administration. Johnie Pennington, Joseph Jacobs, Mac Cameron, Tonia Cameron, Charles Potter, Becky Mesker, and Frank Shaw are all part of the planning committee for Expo. Mike Kuykendall will be serving as Scoutmaster for the weekend.

Angel Island

October 13-14, 2012

By Jon Traum

Angel Island is a National Historical Landmark that is rich in history and has been used as a military fort, a quarantine station, an immigration station, and a missile base. The highest point on the island is 788 foot Mount Livermore, which offers a 360 degree view of the San Francisco Bay and an exquisite view of the San Francisco Skyline.

On Angel Island, scouts will be doing a service project, and then we will be free to explore. Scout can also bring their bikes to ride the 5 mile bike path around the island and to explore landmarks on the other side of the island. In order to bring your bike, you must have a helmet and also must bring your bike to the 9/17 scout meeting in order to have it checked out.

The cost of the trip is \$20.00. Please bring a sack lunch for Saturday as we will start our service project as soon as we get to the island and will not have time to make a lunch. Also bring money for Sunday lunch on the way home. Bring work gloves for the service

project on the island. We are also still looking for a scout to help promote and lead the outing. Please talk to Jon Traum if you would like to help.

Pack 380 Haunted House

October 19, 2012

By Johnie Pennington

Would you like to see something really scary? Come see Johnie Pennington dressed in his finest Halloween attire, now that's scary. Meet your fellow scouts in costume at the Pack 380 meeting on Friday, October 19, 2012 at Sierra Enterprise School. We'll put together a haunted house to scare the little blue scouts in the spirit of Halloween. Sign up at a meeting in October.

Troop Open House

Monday, November 5, 2012

By Dave Ishikawa

Troop 380 will host its annual Open House on Monday, November 5, 2012. The program will begin at 6:30 PM at the church. We hope that Webelos and interested Scout age youth will come preview what

Troop 380 has to offer. We will display our equipment, talk about our many past and future adventures, sample some great cooking, and find out about our great program. The Open House is for youth and adults alike. We will be looking for adults to assist with the evening. Don't forget to invite anyone interested in joining our 380 family.

Scouting For Food

November 3, 2012

By Tonia Cameron

Scouting for food is just around the corner on Saturday, November 3rd. Save the date. It is time to give back to our community. All food will go to the Sacramento Food Bank to help less fortunate families. This is an all hands event for Scouts and Parents.

Monterey Camp Out

November 10-12, 2012

By Chris Ishikawa

Troop 380 will take advantage of the long Veteran's Day weekend, November 10-12, 2012 to camp in the beautiful city of Monterey. We have arranged to visit the world famous Monterey Bay Aquarium, perform a Veteran's Day flag project, and hike the Pinnacles National Monument Rim of the Bay Hike. The campgrounds are located close to the heart of the city in Veteran's Memorial Park. You can even hear the sea lions barking from our tents.

Mt. Wittenberg Hike

December 1, 2012

By Kim Perry-Reed

We are planning a wonderful hike to the top of Mt Wittenberg located in Point Reyes National

Seashore on Saturday, Dec 1st. We will leave at 7am from Sequoia Elementary and return around 6p. This event is open to all that would like to join us however it is considered a moderate hike taking between 4-5 hours round trip to the top where we will enjoy lunch before heading back down to the visitors center. All scouts will need to pack a trail lunch, water, sunscreen, sweat shirt & raingear along with cash for dinner on the way home.

Summer Camp 2013 Camp Royaneh

June 23-29, 2013

By Dave Ishikawa

Troop 380 will return to its favorite summer camp, Camp Royaneh, near the beautiful Russian River. The Patrol Leaders' Council has selected the week of June 23-29, 2013 as their week at camp. Camp Royaneh is owned and operated by the San Francisco Bay Area Council and is located by the town of Cazadero. Camp Royaneh features a COPE course, horse corral, swimming pool, shooting sports ranges, mountain man village, handicraft center, and a great dining hall in the middle of a redwood forest.

Sign ups begin for camp this month. Camp fees for 2012 were \$355.00, so we estimate the fees for 2013 will be slightly higher. We are setting up a payment plan of \$60.00 per month beginning in September. The final payment will be due in early March. Fees will need to be paid in full by this date or a \$30.00 late fee will be added. Please let the treasurer know if you plan on going to camp. A \$60.00 deposit will start the process for the best summer experience of your life.

Upcoming Events

September

28-30 **Xtreme Scout Expo** Beale Air Force Base

October

13-14 **Angel Island Bike or Hike** Angel Island State Park

19 **Pack 380 Haunted House** Sierra Enterprise Elementary

30 **Troop Parent Meeting** Emmanuel Baptist Church

November

3 **Scouting for Food** Save Mart Shopping Center

5 **Troop Open House** Emmanuel Baptist Church

10-12 **Monterey Camp Out** Veteran's Memorial Park

27 **Troop Parent Meeting** Emmanuel Baptist Church

December

1 **Mt. Wittenberg Hike** Point Reyes National Seashore

3 **Winter Court of Honor** Emmanuel Baptist Church

22 **Tree Flyer Distribution** Emmanuel Baptist Church

27 **Bowling Night** Strikes-Elk Grove

29 **Christmas Tree Pick Up** Sequoia Elementary School

January

5 **Christmas Tree Pick Up** Sequoia Elementary School

19 **University of Scouting** Edward Harris, Jr. High

26-27 **Snow Camp Out** Crystal Basin

February

22-24 **Klondike Derby** TBA

March

22-24 **Skills Camp Out** Camp Nauvoo-Placerville

24 **Spring Court of Honor** Camp Nauvoo-Placerville

25 **Aquatics Day** CSUS Aquatics Center

April

19-21 **Capital City District Camporee** TBA

Patrol Leaders' Council Meeting

Monday prior to Troop Parent Meeting, 6:30 PM

Troop Parent Meeting

Last Tuesday of each month at 7:30 PM

Capital City District Roundtable

Second Thursday of each month, 7:30 PM, LDS Church at 3001 Wisseman Drive

Order of the Arrow Chapter Meeting

Prior to Roundtables at 6:30 PM, same location
