## Scoutmaster's Minute

by Dave Ishikawa

**M**y dad told me there are three types of people in the world; the first are those who make things happen, they create the events and experiences for everyone else. The second type of

person are those that watch things happen. They go through life watching things happen and wishing they would get involved. The final type are those who say "what happened?" These are the ones who show up late, or not at all and wonder why they weren't a part of the events and experiences of life.

2015 will be a year of big events for Troop 380. The International Sportsmen's Expo, Death Valley Road Trip, Scout Expo 2015, Camp Royaneh, Philmont, World Jamboree, and the Fall Camporee will all take place this coming year. As always many of you will play a primary part in making these things happen. As a scoutmaster and leader of many of these events I am ever so grateful for all of you who make a difference for not only your scout, but for all the scouts who are part of this great program. Just think about how you effect the youth of our community.

In the end, will you be the one that makes things happen, will you be on the sidelines watching it happen, or will you be asking, "What happened?"

Have a wonderful holiday season and make things happen!

Yours in Scouting,

## Chairperson's Message

By Zenaida Kamine

**F**irst of all, let me express my sincere thanks for the love and support you all have shown to me and my family these last few months. Our lives are so much better because of our Scout family. Thank you all.

Here we are at the end of 2014, a great time to think back on all that the Troop has accomplished and all the things we should thankful for. As Committee Chair, I would like to thank all the people who have helped to make Troop 380 the best that it can be. The troop and the scouts would not be as successful without the support of the parents and other adults of this troop. Let me say, thank you all for making 2014 another successful and memorable year, and let's get ready to make 2015 just as successful.

Because of the holidays, we will not be having a formal committee meeting in December so please plan on attending the White Elephant Party on Jan 3rd at the home of Peter and Sherri Brown. Our next formal meeting will be on Jan 27th at 7pm. Hope to see you all there.

I would like to wish you all the happiest of holidays and thank you again for all your support.

## EAGLE WATCH

by Johnie Pennington

Congratulations to Matthew Meek and Alexander Mellerski on passing their Eagle Scout Board of Review. They are the troops 139 and 140 Eagle Scout. Also, congratulations to Roland Becker completing his Eagle Service project.

You have decided on a possible Eagle Scout project. Now what? Download these forms from the Golden Empire Council's "Eagle Scout Project Guide", "Eagle Service Project Workbook" and "Life to Eagle Guide, 2014". Then talk to me about the possible project before you do anything else. After we have talked, and we both agree about the basic scope of the project, you will need to work on the Eagle Service Project Workbook and on getting materials. After we have reviewed the workbook you will be asked to meet with Dave and Zenaida about your project, select a weekend(s) when you can work on your project and ask to be added to the next parent meeting to present your project. When you meet with Dave and Zenaida, you also need to ask them to sign the workbook project plan and the Eagle Scout Project

Questionnaire. Only after you have Dave's, Zenaida's and the project's beneficiary's signatures can you contact the District's Eagle advancement team to meet and talk about your project. If they approve your project then the real work begins - finalizing your project plan, getting materials, asking for help, etc.

## TREASURER'S REPORT

by Daphne and Wei Hsieh

The treasurer's desk takes care of your business transactions between 6:45pm to 8:30pm. As a reminder, Troop 380 scout dues of \$100 are to be paid. Families can make payments or use fundraising credits to pay them. Per troop policy, if there are credits in the accounts, they are automatically applied to scout dues first before anything else. Please contact us via email (hsieh@frontiernet.net) or in person if you have questions regarding your scout account.

## LOOKING FOR CHRISTMAS GIFTS – LOOK NO MORE

by Ralph and Peggy Merrill

Ralph and Peggy Merrill run the Troop 380 Trading Post. We have lots of possibilities for the Christmas Tree or other gifts. T-shirts, sweatshirts, jackets, water bottles, backpacks, neckerchief slides, hats, and much more can be found at the Trading Post table. Tell 'em Dave sent you and maybe you can strike a deal.

# Recent Events

## Yosemite Service, Climbing and Touring

by Paul Keefer

Troop 380 Scouts and Scouters visited Yosemite during the weekend of September 19-September 21. We camped in the volunteer group campground and enjoyed great food and company. We performed the service project cleaning the Curry Village parking lot on Saturday. Once completed, we enjoyed a hike to Mirror Lake and sightseeing in the Village. Saturday night, we were greeted with a terrific rain storm. On Sunday, the troop broke into two groups with one group climbing Swans Slab (5.5-5.7) and the other group toured the Valley. After climbing and touring, many

of the Scouts and Scouters were able to watch climbing teams on El Capitan through the Ranger telescope.

## USS Pampanito

by Dave Ishikawa

Dive! Dive! Dive! Those words were practiced aboard the USS Pampanito, a World War II vintage submarine docked near Fisherman's Wharf in San Francisco. On September 27 and 28, 2014, Troop 380 traveled to San Francisco for an overnight stay on board this unique museum on the bay. 40 participants took part in the trip on the Capital Corridor Amtrak train. The scouts and leaders had a great time crawling about the submarine, eating dinner at In N Out, hiking to the top of Telegraph Hill and exploring Fisherman's Wharf. A special thanks goes out to Dave Ishikawa and Jim Buell for making the arrangements for our travel and stay. We had a great time.

## NYLT report Grayden S.

I went to NYLT the weekends of September 26-28 and October 10-12, 2014. NYLT means National Youth Leadership Training. The instructor taught us how to communicate better with our patrols and troop and

gave us tips on how to relate with the rest of your patrol. Then they stepped back a let us do it on our own which made every lesson much more meaningful. We played games that showed us vocal, mind, and strength skills and we did many challenges that used lots of team work. By the time it was over I had really bonded with the patrol I had been assigned to. NYLT is a great option to teach scouts about how to lead their patrols and troops.

## Webelos Woods

by Chris Ishikawa

Troop 380 was once again instrumental in making Webelos Woods a success. 193 Webelos, 187 Adult partners and 54 Staff took part in this great weekend. The weather was great, Phil Allen made sure we all ate well, Frank and the shooting sports team were of course a big hit, Joseph and the STEM group were very active in their sessions, Wood Craft, Bead Animals, Songs & Skits, and Knife and Ax safety were all big hits. None of this could be done without the help of Troop and Crew

380. Thank you for your part in this great weekend that began a little differently on Friday night. Thank you also to all the scouts who worked as den chiefs, helped at activity stations and wherever else they were needed. This was one of the best Webelos Woods we've had. Thank you all again,

## Fundraising and Recruiting at the Sequoia Fall Festival

By Charles Potter

Troop 380 sponsored a booth at Sequoia Elementary School's Fall Festival on Saturday, October 11, 2014. We cooked hotdogs and hamburgers to raise funds for the school's PTA and for Troop 380. The scouts recruited and played oversized Jenga with future boy scouts. Except for Charlie, Troop 380 also seemed to sweep the cake walk competition. I'd like to thank and recognize all of the adults who helped out with this event - Elisa, Wayne, Neil, Rommel, Ellie, Charlie, Daphne, and Robert, as well as the scouts, Alden, Josh, Tim, Javier and Gabriel. Way to support your local community!

## Pack 380 Haunted House

by Kim Perry-Reed

On Friday, Oct 17th several

scouts and adults built a fantastic haunted maze at Sierra Enterprise Elementary for the Cub Scouts of Pack 380. We had wonderful escorts leading the little cubs to the far end of the school to where the haunted maze was. After many screams of fun the cub scouts came out with happy faces, thankful for the scary boy scouts once again making this a memorable Oct pack meeting. Thanks goes to all of the scouts and adults that made this evening a success.

## Capital City District Pinewood Derby

by Dave Ishikawa

Suzie Burger, the popular hamburger establishment at 29th and P Streets, hosted the first Capital City District Pinewood Derby, with the assistance of many Troop 380 Scouters. Chris Ishikawa, Johnie Pennington, Joe Reynolds,

Sharon Jonas, Nick Ishikawa, Bryan Hsieh, Wei Hsieh, and Dave Ishikawa helped with this special event on Saturday, October 18, 2014. Cub Scouts from the district competed for awards provided by Suzie Burger and the many sponsors of the event. Suzie Burger has agreed to sponsor the next event on Saturday, April 25, 2015. Next time you stop by Suzie Burger thank them for hosting our district's pinewood derby.

## Open House:

by Andrew E.

Open House was a wonderful experience for all the boys. We hold the Open House annually around October. This year we did a Halloween themed open house, where we played games at the Campfire. I would like to congratulate Adam for an awesome job in being the Master of Ceremonies for the campfire. I believe that all the boys had a great time and we have the possibility of having a total of nine boys join the troop.

## Scouting for Food

by Dave Ishikawa

Scouts met at the Round Table Pizza Parlor on Keifer Boulevard at 8:30am. We were meeting to start our annual Scouting for Food event where we are paired up with the Sacramento Food Bank. We help them collect non-perishable items of food to be distributed to those who are in need. For this event, we had 37 scouts sign in throughout the day along with nearly 50 adults to help out. We also got a little bit of help from the Cub Scouts of Pack 380. In total, we had nearly 100 participants in Scouting for Food which is a huge improvement than last year. We the improvement on people showing up, we were also able to collect more food as well. In fact, we collected about 4400 pounds of food which is about 2.2 tons. With nearly 4100 cans, I would like to express my thanks to all that helped out and supported those who are in need of help.

## Matthew B. Eagle Court

My Eagle Court of Honor took place on November 3, with my good friend Daniel Richardson serving as Master of Ceremonies. I greatly enjoyed the ceremony (as those who were present could probably tell, since I couldn't stop grinning the whole time). I'd like to thank everybody for their attendance, as the turnout was great.

My granddad and two of my cousins (one of whom is also an Eagle) flew out from West Virginia for the event. My granddad, who was a Scout in the 1930's and 1940's, was granted an honorary place in the Nest of the Eagles, as circumstances during WWII prevented him from having his Eagle Board of Review at that time.

In addition, Representative Ami Bera and State Assemblyman Ken Cooley both came and spoke. I'd like to thank them as well as all of those who helped out in the ceremony.

## California School Nutrition Association Color Guard

by Dave Ishikawa

On Friday, November 14, 2014, Roland B., John D., Andrew E., Joshua P-R, Logan R. Fred S., and Jaylin W. were part of the color guard at the opening ceremonies of the California School Nutrition Association state convention at the Sacramento Convention Center. The Scouts did an outstanding job of presenting our nations colors. The association was grateful to the troop and made a donation to the troop treasury.

## Angel Island Campout

Christian Heningburg

On November 15, 26 troop members were driven to Tiburon to have lots of fun at the Angel Island State Park in San Francisco Bay. When we got to the mighty island, everybody helped out to do a successful service project. When we finished, all the bikers used

their bikes to go to the campsite while the hikers hiked up to the campsite. After everyone arrived to the campground, the people going to the Philmont trip in 2015 walked to the peak of Mount Livermore. While arriving safely, the hikers took a beautiful look at San Francisco during a picture perfect sunset then they came back down to eat tasty a Mountain House dinner. While everyone was cleaning their eating utensils, Dave announced that there will be a night walk and the night walk was a blast! Seeing the lights of the city was a beautiful sight to see along with all the animals around us. During the bone-chilling night, everyone was stuffed in their sleeping bags like pigs in a blanket until the bright sun rose to awake everybody. When the sun came up everybody ate quickly, packed up, and left to come back home. When everybody arrived to the cars safely and tired, we went back to Dave's house, dried the tents, and went home to enjoy a Sunday afternoon.

## Folsom Family Adventure

Troop 380 Scouts and family members gathered at the Light Rail Station on Saturday, December 6, 2014, to travel to Historic Folsom for a day of ice skating, shopping, and enjoying the annual arts and crafts fair. This was our second trip to Historic Folsom for the holidays. The skating and festivities have proven a hit with scouts and families. Thanks to John Desmond and Dave Ishikawa for planning our day in Folsom.

## Mission Peak Hike

by Logan R.

The Mission Peak hike was on Dec 7th, since this is the day before the winter court of honor I must write this prior to us actually making the trek. We should have had a great time with the only injuries being scrapes and bruises at most and that everyone brought lunches and drank lots of water. At the end of this tough hike we hope

for clear skies so we would have seen a great view of the San Francisco Bay and everyone earns another segment for their Rim of the Bay patch.

## Swimstute Activity

by Javier Aguil

On Saturday, November 18th there were six scouts that showed up at 8:00AM at the Swimstute on Folsom Blvd. in Rancho Cordova. Mr. Kuykendall along with the assistance of Mr. Heningburg

worked with the scouts for Second and First Class swimming requirements and some items to complete the swimming merit badge. It was fun and by 10:00AM we were done.
