## Troop 380 Has Big Plans - Scoutmaster's Minute By Dave Ishikawa

2007 is a big year for the Boy Scout program. 100 years ago Lord Baden-Powell founded the Boy Scouts in England. Troop and Crew 380 will be celebrating 100 years of scouting with some big events of its own.

In July a group of scouts and parents will head to England to visit the World Jamboree, celebrating the Boy Scout centennial at the birthplace of scouting. Troop 380 members will visit the Jamboree site, London, Paris and Normandy. Andrei Vernon has been selected as part of the World Jamboree contingent to attend the World Jamboree with the United States Jamboree Troop.

On Friday, June 8<sup>th</sup>, Troop 380 will be hosting the famous Kwahadi Dancers from Amarillo, Texas. Our troop will be sponsoring their show at Hiram Johnson High School. We will need everyone's help with the Kwahadi's presentation of Native-American dance and song. Scouts and parents can sell tickets and help with the show.

On the same weekend the Troop will be working at the California Capital Air Show at Mather Airport on June 9 and 10, 2007. The air show will feature the Air Force Thunderbirds. Parents and older scouts (17 and older) can work at the air show. Please see Tonia Cameron if you are interested in helping out.

Scout Expo is going to be one of the biggest events in the history of the Golden Empire Council. Make sure your reserve September 28-30, 2007 on your calendars. We will travel to Beale Air Force Base and join up to 4,000 scouts and leaders at an event that will involve Cub Scouts, Webelos, Boy Scouts, and Venturing.

Our biggest event of the year will take place on Saturday, November 24, 2007, as we celebrate achieving 100 Eagle Scouts. This event will be a Troop 380 reunion so we are inviting all our Troop 380 friends from the past. This promises to be a huge event and all of you will want to be there to celebrate Troop 380 accomplishments.

Add all of these events to our normal calendar of events and you have a very busy year. Please get involved and help us celebrate 100 years of scouting and the success of Troop 380.

Yours in Scouting,

Dave

## Committee Chair Report By Norm Adams

Another summer is around the corner and with that we welcome new scouts and their parents to the family of Troop 380. To you I would like to welcome you. We are excited about the new adventure you and your son are about to undertake. The traditions of Troop 380 are vast and with your help will continue into the future. We have found that parents that are involved in their scouts time with Troop 380 have a better chance achieving the rank of eagle scout than those that try to do it on their own.

Troop 380 holds their parents meeting on the last Thursday of the month here at the church. At these meetings you are given a chance to find out what is happening in the troop and to find that spot where you feel comfortable in helping out. This is also a time that you can express your concerns to the scoutmaster and committee about issues that might affect your scout. Please plan on attending these meetings it is with your support that we as a troop will continue to be as strong as we have in the past.

The next parents meeting will be on **March 27, 2007** tomorrow at the church. Please plan on attending.

Yours in Scouting,

Norm Adams

## Eagle Watch By Don Dier

Our nest of Eagles continues to grow with the New Year. Since the last troop Court of Honor, three Scouts have had their Eagle Courts of Honor. Congratulations to Brad Allred, Ben Fortson and Austin Bono.

Congratulations also to David Barge, Derek Baptista and Billy Frazier on passing their Eagle Boards of Review. These are Troop 380's 98<sup>th</sup>, 99<sup>th</sup> and 100<sup>th</sup> Eagle Scouts. Look for invitations to their Eagle Courts of Honor soon. David's will be April 23. Derek and Billy are planning a dual Court of Honor, tentatively set for May 11.

Peter Ruygt has completed all Eagle requirements and is finalizing his application. Jason Lifshin is also working on his application.

Troop 380 currently has 20 Life Scouts. If you are a Life Scout and ready to start thinking about a service project, please talk to Don Dier about your ideas. He's in charge of Eagle Advancement for the troop and will assist you with putting your proposal together for presentation to the troop committee. The project cannot be carried out without Scoutmaster, committee and district approval. If you don't have any ideas for a project, Don can help with that too. There are many good Eagle project ideas waiting to happen.

### **Eagle Courts of Honor**

On February 10, 2007 at 6:30 PM, Ben Fortson received his Eagle Rank. He had an amusing introduction with his marching band. After his presentation and the slide show, we had scrumptious refreshments these included cake and a fondue fountain.

On March 12, 2007 at 7:00 PM, the troop met at Emmanuel Baptist Church for Austin Bono's Eagle Court of Honor. We had tons of fun. Afterwards there was cake.

On January 15, 2007 at 7:00 PM, the troop met at Emmanuel Baptist Church for Brad Allred's Eagle Court of Honor. We had tons of fun and afterwards there was cake.

### **Upcoming Eagle Courts of Honor**

David Barge would like to invite all of you to his Eagle Scout Court of Honor to be held on Monday, April 23, 2007, at the church. Festivities will begin at 7:00 PM. David is our 98<sup>th</sup> Eagle Scout. Watch for your invitation soon.

Derek Baptista and Billy Frazier have passed their Eagle Scout Boards of Review and will be celebrating their accomplishment on Friday, May 11, 2007. Derek and Billy will be inviting all of you to a dinner to be held at the Cordova Elks Lodge on Sunrise Blvd. Derek and Billy are our 99<sup>th</sup> and 100<sup>th</sup> Eagle Scouts. We will celebrate all of our Eagles in November and I am sure we will have a few more than 100 by then. Watch for your invitation coming soon.

### **Searching for All Troop 380 Eagle Scouts**

Please save Saturday, November 24, 2007, for the 100 Eagles and Troop 380 Reunion Celebration. We have now reached 100 Eagle Scouts in Troop 380. This is quite an accomplishment. Our troop will celebrate this achievement with a special dinner. The plan is to invite all Troop 380 Eagles and past members of Troop 380. This promises to be a fun event to meet the new members and old timers of our wonderful troop. Come to the parent meeting to get in on the planning for this special event.

### **Venture Crew Report By Zachary Kamine**

The Venture Crew's main focus at the moment is preparing for our awesomely, extra-ordinary Philmont High Adventure Trek in New Mexico. See Joe Reynolds for more information about the Philmont trip this summer. Other than that, we had a fun poker night at the Mitchell's house.

### **Order of the Arrow Report By Corey Reynolds**

The Patwin Chapter has been very busy since January. Besides attending monthly chapter meetings and planning for the spring Camporee, many of us have been doing other things. The Lodge has monthly meetings and we need to be there to stay up to date. At our meetings we have also planned our OA Elections and Cub Scout Pack Arrow of Light ceremonies. To date, we have conducted 5 OA elections and have been to 3 ceremonies. We have more ahead of us.

### **Treasurer's Table By Becky Mesker-Riley**

The troop treasury is open from 6:45 – 8:30 at every troop meeting. If you have business to take care of please do so when you drop your scouts off at the meeting and not when you pick them up. Thank you!

## Outings and Activities

### **Golden Empire Council Recognition Dinner By Dave Ishikawa**

The Golden Empire Council Recognition Dinner was held at the Scottish Rite Center, on Saturday, February 17, 2007. Troop 380 was well represented at the dinner attended by over 400 leaders of the council. Our scouts conducted a very impressive opening flag ceremony to the tune of "Follow Me Boys." Chris Ishikawa was the chairperson for this annual event and coordinated the presentation of all the awards and the wonderful barbeque dinner. The highlight of the evening was the presentation of the 2006 Silver Beaver Awards. The Silver Beaver is the highest award that can be bestowed upon a volunteer scout leader in the council. Troop 380 had four of its leaders presented the Silver Beaver this year. Jimmie Garcia, Sue Garcia, Becky Mesker-Riley, and Elizabeth Ruygt were four of eighteen scout leaders presented this coveted honor. This just goes to show the quality of leaders we have in Troop 380. Many thanks go out to the people who helped with the dinner. Mac Cameron, Tonia Cameron, Floyd Brown, Joe Reynolds, Norm Adams, Ralph Merrill, Mark Bringedahl, Peggy Merrill, Roberta Pennington, Johnie Pennington, Lamar Mitchell, Jay Kamine, Zenaida Kamine, Angela Bowman, Kurt Bowman, Elizabeth Ruygt, Keith Bowman, Gary Tamano, Ashley Frazier, Jennifer Frazier, Merrill McMurray, Mike Kolar, Jimmie Garcia, Sue Garcia, Greg Bringedahl, Robert Born, Kelson Lentsch, Aric Carlson, Eric Carlson, William Ruygt, Zachary Burgess, Angel Echevarria, Billy Frazier, Matt Grady, Andrei Vernon, Zachary Kamine, Joshua Kamine, Davis Tamano, Colton Hicks, Casey Reynolds, Jed Bates, Joshua Kuykendall, Becky Mesker-Riley, Blaine Adams, Steven Kolar, Dena Vargas, and Dave Ishikawa were all part of help for this huge event for the council. Thank you all for your support.

### **Scouting for Food By Dave Ishikawa**

Troop 380 was joined by members of Pack 380 and Troop 740 for our annual food drive, Scouting for Food, on Saturday, March 3, 2007. The scouts and parents collected almost 4,000 canned food items for those less fortunate. Tonia Cameron chaired the event and cooked both breakfast and lunch for all the participants. She also secured a truck from the Sacramento Food Bank to take the food collected to the Food Bank. Scouting for Food is an annual community service project put on by the Boy Scouts of America. Troop 380 has participated in this event for the past 13 years. We have collected tons of food to help out our local food closets. Good job scouts!

### **California Builders Association Conference Flag Ceremony By Dave Ishikawa**

Troop 380 was invited to perform the opening flag ceremony at the California Builders Association annual meeting, on Thursday, March 15, 2007. Zachary Burgess, Corey Reynolds, and Casey Reynolds conducted the flag ceremony at the Sheraton Grand Hotel. Troop 380 was given a \$100.00 donation for their participation.

### **Christmas Tree Recycling By Don Dier**

One of the troops major fundraisers each year is collecting trees after Christmas. On December 26, we delivered fliers to homes in Rosemont, Mather, and Rancho Cordova.

People called the number on the flier to schedule a tree pickup. On December 20 and January 6 & 7, we collected trees and brought them to Sequoia Elementary School, where they were loaded into a large garbage truck operated by BFI. The trees were taken to the Elder Creek Recycling & Transfer Station where they were ground up into mulch and compost. We collected over 500 trees and earned over \$3000 (suggested donation of \$5.00 per tree). These funds were applied to Scout accounts based on the number of hours they worked.

**Wrights Beach**  
By Corey Reynolds

On January 13, 4 adults and 17 scouts met at Sequoia Elementary school at around 7:30 AM. We headed over to the campsite and arrived at around 12:00 PM. After arrival, and after camp set up, we had lunch and went out to the beach. By the end of the day, the scouts managed to dig a hole 8 feet wide, 4 feet long, and about 3 feet deep in the sand with only two shovels, two pales, and (with a lot of effort) their bare hands. That evening, the scouts and adults cooked and ate dinner then went to bed. In the morning, breakfast was eaten, camp was taken down, and some of the scouts went out to play on the beach again. We left the beach around 12:00 PM.

**Den Chief Training at the University of Scouting**  
By Zach Burgess

On Saturday, January 20, 2007, 9 scouts from Troop 380 attended training to become Den Chiefs. We were divided into two large groups of 20 Scouts. One group learned how to entertain Cub Scouts with different games in the morning. The other group went through classroom training on how to be a good Den Chief. We had lunch, then after lunch we

switched classes. Overall the day were very productive, and we all learned how to plan a den meeting, and how to play some new games. At the end of the day, we were given our "Trained" patches that we can place on our uniforms if we're actually serving as a Den Chief.

**Family Ski and Snowboard Day**

On February 3, 2007 we had 18 participants including scouts, friends, and family members meet at Boreal Ski resort at 9:00 AM. The conditions were great, it was warm and the snow was great too despite the fact that there had been no snow in over a month. Thank you to Mike Kolar for organizing the trip and making arranges with the ski resort to get us group discount prices.

**Grover Hot Springs**  
By Greg Bringedahl

On Saturday March 17, we met at the school and left around 8:00 AM. We arrived at the campsite and set up the tents. Then we went to the hot springs. We went back to the camp in the evening and made burgers. We then had a camp fire and played sharades. We woke up the next morning at 8:00 AM had pancakes and packed up. We got back home around 1:00 PM

**Bowling Night**  
By William Ruygt

The bowling night was on December 26, 2006 at Fireside Lanes in Citrus Heights. We had 10 teams made up of 40 people participating. The time it started was at 5:45 P.M. and it went till 9:00 P.M. or later. We had fun and there was some friendly competition between some teams. There was lots of food and we had cake because it was Colton's birthday. Mike Kolar was the adult in charge and I was the Scout in charge. Well that's bowling night in a nut shell.

**Pack 306 Blue & Gold Arrow of Light Ceremony**

**Merit Badge News**  
**Soil and Water Conservation**  
**By Matt Grady**

Does anyone know why the Auburn Dam was not completed? (Answer at the bottom)

This was a very interesting merit badge and to all who didn't take this one, you all missed out. The day started with perfect weather. We arrived at the Auburn Dam Canyon View Community Center at 10am and met with Bill Templin. Bill gave us a brief overview of the conservation efforts for the Upper American River Watershed project he

was working on and the area we were hiking to. It was a moderate hike of about 12 to 14 miles round trip, with our final destination at the bottom of the canyon to fish, soak feet (and heads) in the North Fork of the American River, along the way we stopped to discuss the soil erosion we saw along the path, to pick up trash and ways to stop soil erosion thru private and public work projects. Once we got to the bottom of the trail we had a discussion on water safety and to look out for rattlesnakes. The water was cold and clear, it was great for boulder tossing and to watch the startled snake swim by and hear Sheri Rush scream (not too loud) and give us guys and adults a little laugh. Thanks to Sheri Rush. We ate lunch on the rocks by the water did some fishing and just enjoyed the day, it came to an end soon for some of us but we had a time line to follow and started our hike back up to the top of the canyon. Walking back we saw a water fall across the canyon that we didn't see coming down the trail and got a better view of where the Auburn Dam was going to go before construction was stopped. We also got a good view of the Auburn- Forest Hill Bridge, which has been used, in many movies over the years. Over all it was a Great Day! A Special Thanks to Tonia and Mac Cameron for putting together a great merit badge outing and to Bill Templin and Andrew Rush for the maps, pictures and information on Soil and Water Conservation in our community.

Answer: A Fault line was discovered under the area where the Auburn Dam was to be built which was named "The Feather River Fault Line" and halted all construction of the dam at that point.

## Upcoming Events

### **Rio Del Oro and River City 2007 Spring Camporee** **By Johnnie Pennington**

The Order of the Arrow Patwin and Peen Sew chapters will again host the 2007 Spring Camporee April 20 - 21. On April 20, several hundred scouts and scouters from Rio Del Oro and River City Districts will gather at Rancho Seco Park for a weekend of competition and fellowship. Patrols will go head to head testing their scout skills in first aid, knots, communications and teamwork. There will also be archery, tomahawks, tug of war and a patrol and adult Dutch over cooking contest. Beside troops, first and second year Webelos have been invited to come out Saturday to also show off their scouting skills. Saturday evening will conclude with a great campfire and an Order of the Arrow candidate call out. Troop 380 will be running the lizzy gator and canoe events. There is even a rumor that Crew 380 may help with an event and may even sign up a crew to test their scout skill against troop and Webelo patrols.

Permission slips for this event will be (or are) available. Cost is \$10 to \$15. Scouters and parents are needed to help with the events the troop is running. Chris Ishikawa will again be feeding the camporee staff with her cook group. Please see her for the menu and to make your reservation.

### **Science Olympiad Flag Ceremony at CSUS**

Alistair Fortson is looking for volunteers to help with the Opening Flag Ceremony at the Science Olympiad at California State University, Sacramento, on Saturday, March 31, 2007. Troop 380 has been invited to take part in this annual event. Please see or call Alistair if you would like to help out.

### **National Youth Leader Training (NYLT)**

Troop 380 will be represented by Brad Allred, Zachary Kamine, and Ryan Muir on the staff. Colton Hicks, Joshua Kamine, Sam Scruggs, and Davis Tamano will be attending as learners. This course is offered to scouts who want to learn more about leadership skills and hope to someday be part of the troop leadership. The troop provides a half scholarship to those attending this training course. NYLT is an outstanding leadership course and is highly recommended for scouts who want to be successful leaders in scouting. Somebody volunteered Don Dier to be the cook for this event. If you are interested in helping with the cooking please see Don. Good luck to all of our participants.

### **Brannon Island State Park Camp Out**

Troop 380 will be visiting Brannon Island State Park, in the Delta, on the weekend of May 18-20, 2007. Mark Woosley is heading up the event and has made special reservation for the scouts to tour the Coast Guard facility in Rio Vista. ### **California Capital Air Show Fundraiser**

The California Capital Air Show will take place on June 9-10, 2007, at Mather Air Port. This year the show will feature the Air Force Thunderbirds. Tonia and Mac Cameron have made arrangements for Troop 380 to supply volunteers to work at the air show. As you know this is a huge event drawing literally thousands of people. Parents and older scouts can work at the show. Last year volunteers earned approximately \$10.00 per hour. That worked out to about \$150.00 for two days work at the air show. Please see

Tonia if you are interested in working at the air show. All proceeds will be credited to scout accounts. Scouts will also be asked to work as clean up crews on a volunteer basis (no money earning). Volunteers will receive a t-shirt and parking pass for the event.

### **Lake Tahoe Bike and Ice Camp Out**

Troop 380 will be packing up their camping equipment and bicycles for a ride at Lake Tahoe on the weekend of June 15-17 (yes we know it is Father's Day weekend, we plan on being home early). We will also do our annual Ice Cube event in Lake Tahoe (brrrrrr). Floyd Brown is heading this event up so look for special information about this trip and a start on the Cycling Merit Badge.

### **Kwahadi Dancers Coming to California Troop 380 to Host Show**

The Kwahadi Dancers from Amarillo, Texas, will be visiting Sacramento, on Friday, June 8, 2007. The Kwahadi will perform at Hiram Johnson High School Auditorium at 7:00 PM. Troop 380 will be the host and we will need lots of help with this project. Scouts and parents will be asked to sell and take tickets, sell refreshments, host the Kwahadi Crew for dinner, host them overnight, and prepare their breakfast. Please come to the Parent Meeting to find out how you can help. Scouts and parents can earn money for their scout accounts by selling tickets. We have hosted their shows three times in the past. Tickets will be available very soon. Please go to Kwahadi.com to check out their website.

### **Summer Court of Honor**

Troop 380 conducts four regular courts of honor each year. Our spring court of honor is in March, our summer court of honor is in June, our summer camp court of honor is in August, and our winter court of honor is held in December. Our next court of honor will be held on Monday, June 18, 2007, at the church. It will be a hot dog feed and pot luck. Families will be asked to bring a salad, side dish, or dessert. A special summer camp meeting will be held that evening to take care of last minute details for camp. We hope to see all of you there.

### **Scout Expo 2007**

A scout city of over 4,000 scouts and leaders will pop up overnight at Beale Air Force Base on the weekend of

September 28-30, 2007. Dave Ishikawa is heading up this event to help celebrate the 100<sup>th</sup> anniversary of the Boy Scouts. This event will feature activities for Cub Scouts, Webelos, Boy Scouts, and Venturing. A special evening arena show will feature a program you won't forget. Dave is looking for adult leaders who would like to help with this

council wide event. Our next meeting will be at Camp Pollock on Wednesday, March 28, 2007, at 7:00 PM. Please touch base with Dave if you want to help with the biggest event in Golden Empire Council history.

## Summer Activities

### Summer Camp at Camp Royaneh 2007

Troop 380 will be attending summer camp at Camp Royaneh, a camp owned and operated by the San Francisco Bay Area Council. Camp Royaneh is near the Russian River community of Cazadero. Dates for summer camp are July 1-7, 2007. The camp features a pool, horseback riding, a COPE course, nature, mountain man, scoutcraft, handicraft, and shooting sports areas. The fee for camp is \$280.00, which is due by April 16, 2007. New incoming scouts may sign up and get a free camp T-shirt if they pay their fees by April 16. Fees paid after April 16 will be subject to a late fee of \$20.00. Therefore scouts signing up after this date will be charged \$300.00. Summer camp is always the number 1 experience for scouts. Please encourage your sons to participate in summer camp. We will have a special summer camp meeting on April 9, 2007, at 8:00 PM for all scouts and parents of scouts attending camp.

### Philmont Trek 2007

Venture Crew 380 will be participating in a high adventure to Philmont Scout Ranch in New Mexico this summer. The crew has one more opening for the trip. Scouts must meet all the requirements for the trek and be a good quality backpacker. See Joe Reynolds if you are interested in hiking the trails of Philmont.

### Europe and World Jamboree Trip 2007

Troop 380 will be visiting the site of the 100<sup>th</sup> Anniversary World Jamboree in July. We plan on visiting and touring London, Paris, Normandy, and Versailles along with the Jamboree site. We do have a few openings available. Please see Chris Ishikawa if you are interested in getting more information.

### Northern Tier High Adventure Base 2008

On Monday, April 2, 2007 we will be calling the Northern Tier High Adventure Base in Ely, Minnesota to secure a reservation for the summer of 2008. Northern Tier is a wilderness canoe base located in Northern Minnesota. The Boy Scouts of America own and operate this base so scouts can canoe the waters of Northern Minnesota (Boundary Waters) and Canada (Quetico Park). If Troop 380 is able to secure a reservation we will travel to Northern Tier during the summer of 2008 to participate in a 10-day canoe adventure. Our trip will also include a tour of Minnesota and Canada. We were featured on the cover of the Boy's Life magazine back in 1996 when we took our first trip to the Charles L. Sommers Canoe Base. Scouts must be 13 years old when we go on the trip and first class. Also scouts must complete the canoeing, swimming, and first aid merit badge before going. The Safe Swim, CPR, and Safety Afloat Certificates must be secured before the trip. Approximate cost of the trip will be around \$1500.00. Please see Dave if you are interested. We conducted a preliminary interest survey at our last meeting and 12 scouts and 15 adults have expressed interest in going on this adventure. Dave says you cannot beat the peace and serenity of this trip. You can paddle for several days and not see a single human being, but you do see bald eagles, moose, beaver, and bears. Fishing is to die for! If you can help with the call in please see Dave. We will be calling in from his office on Monday, April 2, 2007.
